January 2018

Hello everyone, it's Carol the activities Coordinator for Woodside Hall. Firstly I wish to say a big thank-you for all making me so welcome since I started here six months ago! We started with a BBQ for us on

a sunny day in August  followed by our Summer Fete

in September. We then took an afternoon trip out to Hilliers garden centre for a bit of shopping and afternoon tea in

October, followed in November, by a fun  Halloween party with entertainment. December saw a trip into Eastbourne town centre to see the light decorations and do some festive shopping. The success

of the Christmas party  on the 20th meant we only just managed to squeeze everyone in to enjoy the great food, music and Christmas merriment that took place.

I would like to take this opportunity to thank the families, friends, suppliers and staff who support all our fundraising events so

generously with both their donations and time.  Thank-you all.

We have continued to enjoy our monthly visits from Pet Pals, Sue Burgoyne and our Pat Dogs and also wish to acknowledge our regular visiting church services that attend our spiritual needs. However in between all this, to mention a few other activities we've had East Sussex Wildlife Rescue present an information talk, indulgent pamper

days, sang along with musical entertainers, played bingo, fun cookery, creative arts and crafts, enjoyed cheese and wine-tasting, some creative flower arranging, numerous quiz games and most recently a Burns night supper.

And most of us have seen or met TILLEY

our very own home security, aged now 5 months. With her ongoing training, if she is not sleeping and snoring she's been practising her bark on occasions at unsuspecting visitors from beneath the reception desk. She can also be witnessed patrolling outside, normally dragging a staff member at the end of her lead while she chases any moving leaves !!!
